

On the 4th day of last November the voters of Lyon county cast 516 votes in favor of a new Constitution.

Both parties favored the proposition as it was not considered a political measure. On Tuesday the 17th day of February the Senate of the Fifteenth Session of the Nevada Legislature, refused to count these returns, thereby depriving 516 voters of Lyon county of the right to have their ballots counted.

This vote also deprived the people of the State of the right to call a Constitutional Convention.

The bill was lost by the following vote: ayes Emmitt, Foley, LaGrave, Sawyer, Sproule and Williams of Elko 6. Noes: Boyle, Dunlop, Folsom, Forbes, Gallagher, Kaiser, Millett, McDonnell, Riekey, Stearns, Torre, Williams of Ormsby, and Williamson, 13; not voting, Comins.

This is the first time in the history of Nevada that citizens of this State and qualified voters have been disenfranchised. This outrage on the Constitutional rights of voters reduces the citizens of this State to a level with the blacks of Alabama, whose votes are never counted.

The APPEAL is as staunch a Republican paper as is published in this State, but it cannot sustain the Republican party of Nevada in this gross act of injustice. We recommend in all sincerity that the Legislature request its Representatives at the National Capitol, to resurrect the dead Federal Election Bill, and pass it, that the residents of this State may be able to have their ballots counted when they cast them and not invalidated by a mere clerical error.

We believe that the party who hopes for perpetuation of power must look beyond the present. This act of a Republican Senate will rise to plague the party in 1892, and give the Democrats a club to beat us with.

A Chance for Betting Men.

The refusal of the Senate to send for the Lyon County ballots sounded the death knell of the Constitutional Convention.

There was no pretence even of a defence of this course. The Joint Committee reported that Lyon county cast 516 votes for "A Change of Constitution." The APPEAL will bet any member of the Joint Committee \$100 that Lyon county did nothing of the kind. It cast 516 votes square and fair "For A Constitutional Convention."

The APPEAL will bet any member of the Legislature, or each and every member of the Legislature \$100 even that the Lyon county ballots were printed "For A Constitutional Convention."

Any one calling at this office during business hours can bet one dollar and upwards on this proposition. The Members of the Senate who voted against sending for the proof, i. e., the ballots of Lyon know that they were beaten the instant the proof arrived.

Why He Raised His Employees' Wages.

New York dispatch has the following:

At the twenty-second annual reunion of the employees of Alfred Dolge at Delgeville, Saturday night, Mr. Dolge claimed that the McKinley bill had put the manufacturers of this country on a better footing. As a result he had increased the wages of his fetti makers 12 per cent. and would reduce the hours of labor for all of his hands from ten to nine and a half. The announcement was received with applause.
